

MEMORANDUM

3 March, 1947

TO: [REDACTED]

FROM: [REDACTED]

This is to furnish you with a report on the liquor situation both to [REDACTED]

25X1A6a

1. The only record this office has on the shipment of any type of liquor to [REDACTED] is Cargo No. 71140-B consisting of the following:

4 Cases Hiram Walker's Deluxe Rye Whiskey

2 Cases Hiram Walker's Deluxe Bourbon Whiskey.

The original request was received in this office on 19 March, 46 and altho immediate action was taken, due to strikes and other unavoidable delays on the part of the distillery, the liquor was not actually shipped until early in September, 1946.

A thorough check has been made with [REDACTED] and her records also indicate that no other record exists of liquor being shipped (or requested by) [REDACTED]

2. We have no record of liquor being requested or shipped to [REDACTED] during the past two years. This is undoubtedly due to the fact that during the war the Theater Commander did not permit any liquor to be shipped into ETO. We do not have on record in this office any request from [REDACTED] for the shipment of liquor, which is undoubtedly a result of the War time ruling.
